Members of the Board of Trustees:
Glenside Public Library District
25 East Fullerton Avenue
Glendale Heights, IL 60139

We have compiled the accompanying modified cash basis balance sheet of the Glenside Public Library District as of January 31, 2016 and the related modified cash basis statements of revenues, expenditures and changes in fund balance for the Seven Months then ended, and the accompanying other supplementary information as referred to in the table of contents. We have not audited or reviewed the accompanying financial statements and other supplementary information and, accordingly, do not express an opinion or provide any assurance about whether the financial statements and other supplementary information are in accordance with the modified cash basis of accounting.

Management is responsible for the preparation and fair presentation of the financial statements and other supplementary information in accordance with the modified cash basis of accounting and for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of the financial statements and other supplementary information.

Our responsibility is to conduct the compilation in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. The objective of a compilation is to assist the management in presenting financial information in the form of financial statements and other supplementary information without undertaking to obtain or provide any assurance that there are no material modifications that should be made to the financial statements and other supplementary information.

Management has elected to omit substantially all of the disclosures, Management Discussion and Analysis (MD&A), and Required Supplementary Information (RSI) required by the modified cash basis of accounting. If the omitted disclosures were included in the financial statements and other supplementary information, they might influence the user's conclusions about the Glenside Public Library District assets, liabilities, fund balances, revenues and expenditures. Accordingly, these financial statements and other supplementary information are not designed for those who are not informed about such matters.
